

*Delivering leading edge, innovative power solutions since 1984*

## China RoHS Declaration

We, GlobTek, Inc., certify that GlobTek's products are in conformity with the People's Republic of China's "Management Methods for Controlling Pollution by Electronic Information Products" ("China RoHS" or "Order 39") to control and reduce pollution to the environment and harms to human health arising during the production, sale and import of Electronic Information Products ("EIP") in the People's Republic of China. China SJ/T 11363-2014.

China RoHS Maximum concentration values for each homogeneous material not a product itself.

Lead (Pb)	7439-92-1	0.1 % by weight	= 1000 mg/kg = 1000 ppm
Mercury (Hg)	7439-97-6	0.1 % by weight	= 1000 mg/kg = 1000 ppm
Cadmium (Cd)	7440-43-9	0.01 % by weight	= 100 mg/kg = 100 ppm
Chromium VI (Cr VI)	18540-29-9	0.1 % by weight	= 1000 mg/kg = 1000 ppm
Polybrominated biphenyls (PBB)	67774-32-7, 32536-52-0, 1163-19-5, 32534-81-9	0.1 % by weight	= 1000 mg/kg = 1000 ppm
Polybrominated diphenyl ethers (PBDE)	5436-43-1 60328-60-9 189084-64-8 68631-49-2	0.1 % by weight	= 1000 mg/kg = 1000 ppm

China-RoHS Conform  
Substances not above limit

Non China-RoHS Conform  
With years listed

GlobTek certifies that the parts marked with RoHS Green Leaf logo, contains materials which meet or exceed all specifications of China SJ/T 11363-2014.

This C of C does not exceed general terms and conditions of the sale unless specified below.

Thank you for your business.
