

# Certification of Chemical Content Declaration

## RoHS Declaration

**Product Name:** \_\_\_\_\_

We, GlobTek, Inc., certify that GlobTek's products are in conformity with the EU RoHS Directive (2011/65/EC) (Restriction of the use of certain Hazardous Substances in Electrical and Electronic Equipment) and the Commission Delegated Directive (EU) 2015/863 amending Annex II to the RoHS Directive (Commonly known as RoHS 2.1 or RoHS 3) and China SJ/T 11363-2014.

| RoHS Restricted Substances under RoHS 2.1 / RoHS 3: |                                | Initials / CAS # |                                               | Max concentration | Put into effect |
|-----------------------------------------------------|--------------------------------|------------------|-----------------------------------------------|-------------------|-----------------|
| 1                                                   | Lead                           | Pb               | 7439-92-1                                     | 0.1%              | 7/1/2006        |
| 2                                                   | Mercury                        | Hg               | 7439-97-6                                     | 0.1%              | 7/1/2006        |
| 3                                                   | Cadmium                        | Cd               | 7440-43-9                                     | 0.01%             | 7/1/2006        |
| 4                                                   | Hexavalent chromium            | Cr(VI)           | 18540-29-9                                    | 0.1%              | 7/1/2006        |
| 5                                                   | Polybrominated biphenyls       | PBB              | 67774-32-7, 32536-52-0, 1163-19-5, 32534-81-9 | 0.1%              | 7/1/2006        |
| 6                                                   | Polybrominated diphenyl ethers | PBDE             | 5436-43-1 60328-60-9 189084-64-8 68631-49-2   | 0.1%              | 7/1/2006        |
| 7                                                   | Bis(2-ethylhexyl) phthalate    | DEHP             | 117-81-7                                      | 0.1%              | 7/22/2019       |
| 8                                                   | Butyl benzyl phthalate         | BBP              | 85-68-7                                       | 0.1%              | 7/22/2019       |
| 9                                                   | Dibutyl phthalate              | DBP              | 84-74-2                                       | 0.1%              | 7/22/2019       |
| 10                                                  | Diisobutyl phthalate           | DIBP             | 84-69-5                                       | 0.1%              | 7/22/2019       |

GlobTek certifies that the parts marked with "RoHS" words or "RoHS Green Leaf" logo, were tested and meet or exceed all specifications of directive 2015/863-EU (ROHS-2.1 or RoHS 3) and China SJ/T 11363-2014.

No exemptions taken on this product.

This C of C does not exceed general terms and conditions of the sale unless specified below.

Thank you for your business.
